Membership Form

The Student Advocates for Valuing the Environment Foundation, 501(c)(3), is one of Helena's most direct environmental organizations. Through recycling events and our business and school recycling route, we annually recycle hundreds of thousands of pounds of waste, including priority waste such as electronics and light bulbs. We advocate recycling, conservation, alternative fuels, and a sustainable lifestyle. S.A.V.E. is a not for profit corporation that depends on community and member support.

Your contribution directly supports S.A.V.E.'s efforts to foster environmental awareness and stewardship in the Queen City of Helena and the state of Montana.. Membership includes e-mail notification of all our events around the state and S.A.V.E.'s *Daily Habits* newsletter.
